

# FAMILY MINISTRIES DISCIPLESHIP FRAMEWORK

---

## **GOSPEL LIFE CHURCH VISION & MISSION**

**VISION:** to make disciples that make disciples and plant churches that plant churches.

**MISSION:** to preach the gospel and help connect its transformational power to everyday life.

**FAMILY MINISTRIES PHILOSOPHY:** to shape the Discipleship Framework based on the vision and mission of Gospel Life Church.

We have seen people at GLC become disciples that make disciples through the avenue of gospel proclamation and connection of those truths. GLK and GLS are partnerships to help equip parents and families to understand the gospel at a deeper level. This framework is a tool for GLC, Family Ministries, and parents to clearly understand the progression from gospel knowledge to gospel-driven participation in the local church. Our prayer is that it helps to unite and better equip our volunteers and families for their role in the duty and delight we have to pass our faith on to the next generation.
